WELSH COMPANIES ANNOUNCE A NEW FACILITY IN GEORGIA

Griffin, GA... Welsh Equipment, Inc. and Con-Tech Manufacturing, Inc., along with the Griffin-Spalding Development Authority, are proud to announce a new facility in Griffin-Spalding County, Georgia.

The Companies, leaders in the new and used concrete mixer industry, have purchased an existing building at 104 Hudson Industrial Drive in Hudson Industrial Park and expect to be fully operational by the end of June 2011. The building is 10,000 square feet and sits on a 6-acre site within the Park. After the first six months startup period the two companies expect to have around 20 employees.

Griffin-Spalding Development Authority Chair Chuck Copeland said, "It gives me great pleasure to welcome Welsh Equipment, Con-Tech, the new jobs, and the new capital investment into our community. This announcement comes at a great time, and we look forward to a long-lasting partnership with them." Welsh Equipment and Con-Tech will join Amsafe, Inman and Associates, Armal, Sumika Polymer Compounds of America, and Caterpillar Logistics in the Hudson Industrial Park area.

Headquartered in Dodge Center, Minnesota, Welsh Equipment is privately owned and founded by Daniel Welsh and Susan Welsh and has become the #1 source for reconditioned mixer trucks. The operation in Griffin will focus on bringing old mixers back to life. The Company can repair, and rebuild every component from the tires on up. The facility will also warehouse the reconditioned mixers until ready for delivery.

Con-Tech Manufacturing is also a privately owned business that is dedicated to serving the concrete industry with quality and service and has become a leader in the new concrete mixer market throughout the United States. Founded by Daniel Welsh and Grant McNeilus, Con-Tech offers a full line of new mixers, quality replacement parts, glider kits, and complete mixer service. The Griffin facility will also house a sales office for Con-Tech for its parts sales and service.

Dan Welsh, President of Welsh Equipment and Con-Tech, announced, “We are very excited to be a part of this community and look forward to expanding our business and supporting this fine community.

Authority Executive Director David M. Luckie added, “We are thrilled about the new companies in our Park. We look forward to adding them to the community roster and for the welcomed new jobs and industrial diversity they bring”.
